Dear Customer,

Global Specialty Products-USA, Inc. (www.gsp-usa-inc.com) - “GSP-USA” provides its customers and authorized distributors with a Material Safety Data Sheet “MSDS” and Technical Data Sheet the first time a product is purchased or sampled for testing and evaluations. In addition, an original copy of the MSDS and TDS accompanies all subsequent orders and shipments. In some cases, the MSDS for the product is distributed on an annual basis to comply with specific regulatory requirements even if there has been no change in the formula, ingredients, etc. If the “MSDS” and “TDS” are significantly changed, a copy of the revised sheets will be sent to customers (directly or via our distributors) who have purchased the product in the previous 12-36 months.

The “MSDS” and “TDS” are addressed to the attention of the **MSDS COORDINATOR** and is sent according to the contact information that “GSP-USA” or our distributors have on file for your organization. You should direct these important documents to your Environmental Health and Safety Department or those responsible for managing or designing operations involving the use of this product and those who use or handle the product and may potentially be exposed to it.

“GSP-USA” expressly disclaims all express or implied warranties of merchantability and fitness for a particular purpose, with respect to the product, formula, and or information provided herein, and shall under no circumstances be liable for incidental or consequential damages. Please do not use ingredient information and / or ingredient percentage in this MSDS as a product specification. For product specification information refer to a product specification sheet and or a certificate of Analysis “COA”. These documents can be obtained by contacting “GSP-USA” directly. This information relates only to the product designated herein, and does not relate to its use in combination with any other material or in any other process.

All information appearing herein is based upon data obtained from the raw material suppliers, “GSP-USA”'s own lab results and / or recognized technical sources or reliable independent labs in the state of NJ.
